

PRESS RELEASE
3 September 2018

CONSTRUCT Announces Shortlist for the CONSTRUCT Awards 2018

CONSTRUCT Concrete Structures Group runs annual Awards for its members, recognising excellence, capability and inventiveness in concrete construction. The Awards cover a wide spectrum of activities associated with structural concrete and CONSTRUCT is delighted to announce the shortlist to the industry.

The entries were divided into five categories:

- **Projects Over £2.5m**
- **Projects Under £2.5m**
- **Health and Safety**
- **Unsung Hero**
- **Young Achiever**

The judging panel consisted of industry experts including Andrew Minson (MPA Concrete Centre), Kathy Calverley (Concrete Society), Geoff Taylor (Almacantar) and Tracey Stafford (CONSTRUCT Training Manager). The judges were impressed by both the high level of technical excellence demonstrated by CONSTRUCT members delivering successful projects to their clients and by the employees that are willing to go above and beyond.

Head Judge and Executive Director at MPA Concrete Centre, Andrew Minson, said:

“Congratulations to the shortlisted companies and individuals who have demonstrated their commitment to high standards and quality and making a positive difference to the industry. The judges had a difficult task in choosing the winners, and I am sure the CONSTRUCT Awards will be a true benchmark for the industry.”

The winners will be revealed at the CONSTRUCT Day on Friday 5 October featuring a champagne drinks reception and a three-course lunch. The event, taking place at The Brewery in London, will feature after-dinner entertainment from superb comedian, Paul McCaffrey.

CONSTRUCT would like to thank its sponsors: BRC Reinforcement, Donseed, Foundation Developments, Hünnebeck, Ischebeck Titan, Invisible Connections, Leada Acrow, PERI, RMD Kwikform, Square Mile Broking, and Thames Reinforcement.
